ADOPTION APPLICATION

At Adore-A-Bull Rescue, we get to know the traits and personalities of our dogs very well and try to make the best match between dog and pet parent. At times, we may determine that the dog you have chosen is not the best match.

In these instances, we will do our best to match you with another dog in our program. However, we always reserve the right to refuse to adopt a dog to anyone.

Please be honest with all answers, it helps us to help you make that forever match. You must be at least 25 to adopt.
